CASE NO. 2:22-cv-09003

COMPLAINT FOR PATENT
INFRINGEMENT

JURY TRIAL DEMANDED

20
21 Plaintiff Social Positioning Input Systems, LLC (“Plaintiff” and/or SPIS”) files
22 this complaint against LiveViewGPS, Inc. (“Defendant” and/or “LiveViewGPS”) for
23 infringement of U.S. Patent No. 9,261,365 (hereinafter the “ ‘365 Patent”) and alleges
24 as follows:

25 **PARTIES**

26 1. Plaintiff is a Wyoming limited liability company with an address of 1 East
27 Broward Boulevard, Suite 700, Ft. Lauderdale, FL 33301.
28

1 2. On information and belief, Defendant is a California corporation with an
2 address 29021 Avenue Sherman, Ste. 103, Valencia, CA 91355. On information and
3 belief, Defendant may be served through its registered agent, George Karonis, 29021
4 Avenue Sherman, Ste. 103, Valencia, CA 91355.

5 **JURISDICTION AND VENUE**

6 3. This action arises under the patent laws of the United States, 35 U.S.C. §
7 271 et seq. Plaintiff is seeking damages, as well as attorney fees and costs.

8 4. Jurisdiction is proper in this Court pursuant to 28 U.S.C. §§ 1331 (Federal
9 Question) and 1338(a) (Patents).

10 5. On information and belief, this Court has personal jurisdiction over
11 Defendant because Defendant has committed, and continues to commit, acts of
12 infringement in this District, has conducted business in this District, and/or has engaged
13 in continuous and systematic activities in this District.

14 6. Upon information and belief, Defendant's instrumentalities that are
15 alleged herein to infringe were and continue to be used, imported, offered for sale,
16 and/or sold in this District.

17 7. Venue is proper in this District under 28 U.S.C. §1400(b) because
18 Defendant is deemed to be a resident in this District. Alternatively, acts of infringement
19 are occurring in this District and Defendant has a regular and established place of
20 business in this District.

21 **BACKGROUND**

22 8. On February 16, 2016, the United States Patent and Trademark Office
23 ("USPTO") duly and legally issued the '365 Patent, entitled "Device, System and
24 Method for Remotely Entering, Storing and Sharing Addresses for a Positional
25 Information Device." The '365 Patent is attached as Exhibit A.

26 9. Plaintiff is currently the owner of the '365 Patent.

27 10. Plaintiff possesses all rights of recovery under the '365 Patent, including
28 the exclusive right to recover for past, present and future infringement.

COUNT ONE

(Infringement of United States Patent No. 9,261,365)

11. Plaintiff refers to and incorporates the allegations in Paragraphs 1 - 10, the same as if set forth herein.

12. This cause of action arises under the patent laws of the United States and, in particular under 35 U.S.C. §§ 271, *et seq.*

13. Defendant has knowledge of its infringement of the ‘365 Patent, at least as of the service of the present complaint.

14. The ‘365 Patent is valid, enforceable, and was duly issued in full compliance with Title 35 of the United States Code.

15. Upon information and belief, Defendant has infringed and continues to infringe one or more claims, including at least Claim 1, of the ‘365 Patent by providing (as identified in the Claim Chart attached hereto as Exhibit B) many products of tracking and management methods for monitoring real-time GPS locations to receive real-time locations of vehicles (i.e., location information) through one or more positional information devices (e.g., desktop or mobile devices) (“Product”), which infringes at least Claim 1 of the ‘365 Patent. Defendant has infringed and continues to infringe the ‘365 patent either directly or through acts of contributory infringement or inducement in violation of 35 U.S.C. § 271.

16. Defendant also has and continues to directly infringe, literally or under the doctrine of equivalents, the Exemplary ‘365 Patent Claims, by having its employees internally test and use these Exemplary Products.

17. The service of this Complaint, in conjunction with the attached claim chart and references cited, constitutes actual knowledge of infringement as alleged here.

18. Despite such actual knowledge, Defendant continues to make, use, test, sell, offer for sale, market, and/or import into the United States, products that infringe the ‘365 Patent. On information and belief, Defendant has also continued to sell the Exemplary Defendant Products and distribute product literature and website materials

1 inducing end users and others to use its products in the customary and intended manner
2 that infringes the '365 Patent. See Exhibit B (extensively referencing these materials to
3 demonstrate how they direct end users to commit patent infringement).

4 19. At least since being served by this Complaint and corresponding claim
5 chart, Defendant has actively, knowingly, and intentionally continued to induce
6 infringement of the '365 Patent, literally or by the doctrine of equivalents, by selling
7 Exemplary Defendant Products to their customers for use in end-user products in a
8 manner that infringes one or more claims of the '365 Patent.

9 20. Exhibit B includes at least one chart comparing the Exemplary '365 Patent
10 Claims to the Exemplary Defendant Products. As set forth in this chart, the Exemplary
11 Defendant Products practice the technology claimed by the '365 Patent. Accordingly,
12 the Exemplary Defendant Products incorporated in this chart satisfy all elements of the
13 Exemplary '365 Patent Claims.

14 21. Plaintiff therefore incorporates by reference in its allegations herein the
15 claim chart of Exhibit B.

16 22. Plaintiff is entitled to recover damages adequate to compensate for
17 Defendant's infringement.

18 21. Defendant's actions complained of herein will continue unless Defendant
19 is enjoined by this court.

20 22. Defendant's actions complained of herein are causing irreparable harm
21 and monetary damage to Plaintiff and will continue to do so unless and until Defendant
22 is enjoined and restrained by this Court.

23 23. Plaintiff is in compliance with 35 U.S.C. § 287.

24 **PRAYER FOR RELIEF**

25 WHEREFORE, Plaintiff asks the Court to:

26 (a) Enter judgment for Plaintiff on this Complaint on all cases of action
27 asserted herein;
28

1 (b) Enter an Order enjoining Defendant, its agents, officers, servants,
2 employees, attorneys, and all persons in active concert or participation with Defendant
3 who receives notice of the order from further infringement of United States Patent No.
4 9,261,365 (or, in the alternative, awarding Plaintiff running royalty from the time
5 judgment going forward);

6 (c) Award Plaintiff damages resulting from Defendant's infringement in
7 accordance with 35 U.S.C. § 284; and

8 (d) Award Plaintiff such further relief to which the Court finds Plaintiff entitled
9 under law or equity.

10 **DEMAND FOR JURY TRIAL**

11 Plaintiff, under Rule 38 of the Federal Rules of Civil Procedure, requests a trial
12 by jury of any issues so triable by right.

13
14 Dated: December 12, 2022

Respectfully submitted,

15 /s/ Stephen M. Lobbin
